APPLICATION DEADLINE

Resident & Nonresident AntelopeAug. 14
Resident Custer State Park AntelopeAug. 14

LANDOWNER PERMISSION REQUIRED

Permission is required to hunt private land in South Dakota. Every year GFP receives complaints from hunters who drew a license and couldn't get permission to hunt private land once the season opened. Do not apply just because there are licenses available. Have permission to hunt before you apply. If you don't get permission before you apply, you may not be able to get it during the season.

SOUTH DAKOTA DEPARTMENT OF
GAME, FISH AND PARKS

APPLY BY COMPUTER AT: www.sdgfp.info/

When you are at the GFP home page, click on the link to *Licenses and Reservations* to apply online for "Limited Issue Licenses." Follow the instructions to complete and submit your application. You will be required to provide all the standard application information, and you will submit the fee using your credit card number.

The end result is your big game application is placed directly into the computer file where licenses are drawn and issued, with no additional handling of a paper application. If you are eligible for preference for a season it will be added automatically. As you grow accustomed to filing electronically, we feel you will find it your most convenient option for applying.

In addition, applicants can access the GFP web site to check the status of their application. Follow the link from Licenses and Reservations that takes you to "Apply for Limited Issue Licenses". Enter/Create your username and password combination, log in, and click on "View Submitted Applications."

APPLICATION REQUIREMENTS

Drawing Statistics Now Available: Applicants may access past drawing results online from the GFP home page. Hold your cursor on "Licenses and Reservations," then click on "License Drawing Statistics" and follow the instructions. The same link is available as an option when you sign into the online application system. Drawing information will be available from past seasons and 2009 information will be available when the drawing is complete.

Residency

To apply for a resident license, a person must:

- Have a domicile within South Dakota for at least 90 consecutive days immediately preceding the date of application for, purchasing, or attempting to purchase any hunting, fishing, or trapping license/permit. A domicile is a person's established, fixed, and permanent home to which the person, whenever absent, has the present intention of returning, and
- Make no claim of residency in any other state or foreign country for any purpose, and
- Claim no resident hunting, fishing, or trapping privileges in any other state or foreign country, and
- Prior to any application for any license, transfer to SD the person's driver's license and motor vehicle registrations.

EXCEPTION: The following persons are eligible for resident licenses:

- Any person who previously had a domicile in SD who is absent due to business of the United States or SD, or is serving in the armed forces of the US, or the spouse of an active duty military person;
- Any person who previously had a domicile in SD who is absent due to the person's regular attendance at a post-high school institution as a fulltime student;
- Any person in the active military of the US or that person's spouse who is continuously stationed in SD;
- Any person who is a patient in any war veterans' hospital within SD;
- Any person who is an employee of the veterans' administration or any veterans' hospital in SD;
- Any person residing on restricted military reservations in SD;
- Any person attending regularly a post-high school institution in SD as a full-time student for 30 days or more immediately preceding the application;
- Any foreign exchange student over 16 years of age attending a public or private high school who has resided in the state for 30 days or more preceding the application;
- Any foreign exchange student who is between the ages of 12 and 16 who has completed the Department of Game, Fish and Parks' course of instruction in the safe handling of firearms and has been issued a certificate of competency upon completion of instruction and who has resided in SD for 30 days or more preceding application for a license;
- Any person who is a minor dependent of a resident of SD.

Termination of Residency

A person (other than a person who fits into one of the previous EXCEPTIONS) is deemed to have terminated their South Dakota resident hunting, fishing, and trapping status if the person does any of the following:

- Applies for, purchases, or accepts a resident hunting, fishing, or trapping license issued by another state or foreign country;
- Registers to vote in another state or foreign country;
- Accepts a driver's license issued by another state or foreign country; or
- Moves to any other state or foreign country and makes it the person's domicile or

makes any claim of residency for any purpose in the other state or foreign country.

However, a person who has lawfully acquired a resident hunting, fishing, or trapping license and who leaves the state after acquiring the license to take up residency elsewhere may continue to exercise all the privileges granted by the license until the license expires if the person's respective privileges are not revoked or suspended.

Social Security Number

The last four digits of your social security number is required. The Social Security Number information is required from all U.S. residents before this application will be processed [SDCL 25-7A-56.2]. This information will be kept confidential. The information is required to be in compliance with state law on collection of delinquent child support payments.

South Dakota law prohibits the issuance or renewal of any hunting or fishing license if an individual owes \$1,000 or more in past-due child support unless the individual enters into a repayment agreement with the Dept. of Social Services for payment of the delinquent child support [SDCL 25-7A-56; 25-7A-1(28)]. There is a requirement to enter into a repayment agreement with the Dept. of Social Services even if the individual is presently making child support payments, or if child support is being withheld from wages or income. To enter into the required repayment agreement, individuals must contact the Dept. of Social Services - Office of Child Support Enforcement, 700 Governor's Drive - Kneip Building, Pierre SD 57501, or call (605) 773-6456.

Age Eligibility

- Residents and nonresidents must be 12 years old by Dec. 31, 2009 to hunt.
- Residents under age 16 must successfully complete a HuntSAFE course.
- Nonresidents under age 16 must include the certificate number from their hunter safety card, or a current or previous hunting license issued to them from any state.
- Residents and nonresidents who have not completed the HuntSAFE course at the time of application must use a paper application and leave that information blank on the application form. If drawn, their license will be held until the License Office is notified of the HuntSAFE card number once the course has been successfully completed.

Submitting Fees

You must submit the appropriate license fee to cover the cost of each season applied for on this multiple application form. One check may be written to cover the cost of all seasons you apply for on this form. We recommend the fee be sent in the form of a personal check, but a cashier's check, money order or cash will be accepted. Cash is not recommended. A bad check will void the license. Make checks payable to "South Dakota Game, Fish and Parks." Payment for applications submitted online must be made with a valid credit card (Visa or MasterCard). This credit card will not be charged until, and only if you are successful in the drawing.

Application Rules

- Applications not properly filled out will be returned.
- You may submit only one application per season for the first drawing and receive no more than one license. See "Application Deadlines" for rules allowing additional licenses.
- Applicants applying for differently priced licenses as first and second choice must include the higher fee. You will receive a partial refund if you draw the lower-priced license.
- Licenses may not be transferred to another person.

Group Applications

- Applications with matching first and second choices, submitted in the same group, will be treated as a group application. All applicants will either be successful or unsuccessful in the drawings.
- Applications submitted in the same group with first or second choices that do not match will be treated as individual applications in the drawings, not as a group application.
- No more than six applications may be submitted in the same group.
- An incomplete application voids all other applications in the group.
- Applicants with preference points should be aware when applying with applicants with fewer preference points: Doing so gives all applicants the lowest point represented in the group.
- Residents and nonresidents may apply together in the same group. Either all in the group will be drawn together or all will be rejected. Residents must submit the resident fee and nonresidents must submit the nonresident fee. This is valid only in seasons and units where both resident and nonresident licenses are available for a specific drawing. It should be noted that in most instances, residents who apply with nonresidents will have a diminished chance of drawing a first-choice license.

Resident Landowner/Operator Preference

- Half the resident permits for this season are set aside for resident landowner/operators who apply in the first drawing.
- To be eligible for this preference, the person must 1) own or 2) operate at least 160 acres of private land within the unit applied for as first choice.
- Either the owner or operator/lessee of the land may qualify for this preference. However, both may not claim preference for the same 160-acre property.
- Any member of the immediate family residing with the eligible landowner/operator can claim landowner/operator preference.
- Corporate landowner/operators who reside on and actively participate in and direct the daily workings on the farm or ranch may also qualify for landowner/operator preference.
- Absentee corporate landowners do not qualify for such preference.

Submitting Applications

Applications may be submitted online or on the forms provided in this pamphlet (the forms may be photocopied), and may be mailed in the self-addressed envelopes provided or in the applicant's envelope. Proper postage must be affixed to the envelope to ensure delivery.

Mail to:
Game, Fish & Parks License Office
412 West Missouri Avenue
Pierre, SD 57501.

Successful Applicants

Successful applicants for limited licenses are selected at random by computer lottery.

Unsuccessful Applicants

Unsuccessful applicants will receive a refund check from the State of South Dakota if they applied through the mail by paper application. Each member of a group who applied together will receive a separate refund. Members of a group who sent one check will be responsible for reimbursement among themselves. Those who applied online using a credit card will be charged only if they are successful in the drawing. Those unsuccessful will not be charged and there will be no refund required.

Preference Points

Seasons with a limited number of licenses have a point system for applicants who are unsuccessful on their first choice in the drawing. One point is earned each year the applicant is unsuccessful. Preference is valid on first choices in the first drawing only.

Preference points are automatically credited to an application by the computer system. Preference is maintained by the computer system even if you do not apply the following year. Your preference will still be available for the same season for up to five years. Preference cannot be transferred to another person and is only valid for the first drawing in the applicant's first unit-type choice. If you have any questions about your preference, please contact our Information Office.

NOTE: Applicants who draw a first-choice license and subsequently refuse to take the license will lose all accumulated preference and eligibility.

SEASON APPLICATION INFORMATION

The season/unit/type choice designations apply to both resident and nonresident licenses. Use the entire 8-digit number when filling out "season/unit/type" on the application. The first three digits describe the SEASON you are applying for, the second three digits describe the geographic area and in some cases split season dates, and the last two digits describe the animal for which the license is valid.

Please verify the unit information you record on this application correctly represents the season, area and species you are applying for.

The license fee includes a \$5 surcharge established by the South Dakota Legislature. Surcharge monies are divided evenly between programs for wildlife damage management and public hunting land access, programs that benefit both landowners and hunters.

State licenses are valid on private, deeded lands within the exterior boundaries of an Indian reservation. Persons wishing to hunt on tribal lands should contact the appropriate tribal office concerning tribal lands.

ANTELOPE

Season Dates: Oct. 3-18, except split season units.

License Eligibility: Residents and nonresidents are eligible for all units.

Conversion of certain licenses: At the conclusion of the firearms antelope season, any unsold or unfilled tags in units 15, 35, 49 and 53 convert to "doe/fawn antelope" tags and are valid in any of these four units during the West River Deer season.

■ The shaded areas have a split season. Refer to the unit descriptions for specific season dates. Unfilled and unsold tags from Units 15, 35, 49 and 53 convert to "doe/fawn" licenses and can be used anywhere in that four unit area during the West River Deer season.

Sportsmen Against Hunger

GFP is cooperating with Sportsmen Against Hunger (SAH) to assist in paying most or all fees for commercial processing of antlerless deer and doe/fawn antelope donated to the SAH program for needy families. Some things to remember include:

- Hunters may donate any deer or antelope, however only antlerless deer and doe/fawn antelope are eligible for the processing assistance. The cost of processing buck deer or antelope will be the responsibility of the donor. Deer donated to the SD Sportsmen Against Hunger program must be harvested in SD.
- Processing certificates (available free from participating processors) will be worth \$50 for donated antlerless deer and \$40 for donated doe/fawn antelope. It is anticipated that most processors will accept this amount as full payment for processing donated antlerless deer or doe/fawn antelope.
- A list of participating processors will be available on the GFP website in Sept. Click on the "Sportsmen Against Hunger Program" link under "Get Involved" at www.sdgifp.info.

You can support this program by making tax-deductible financial contributions when you submit your license application.

APPLICATION INSTRUCTIONS

- 1. Season/Unit/Type Choices:** Fill in your unit-type choice from the choices provided with each season. Check the box next to the season in which you are claiming landowner/operator preference. The second choice, for those seasons that allow a second choice, is optional. You may apply for multiple seasons with this form. For example, you may apply for Black Hills Elk on one line, CSP Elk the next, Prairie Elk the next and Archery Elk on the next. You would only need to fill out one form and provide one check to cover the cost of all applications. Please remember, if you are applying together in the same envelope with other individuals, all unit choices must be identical or the application will be rejected.
- 2. Land Operator Preference:** If you qualify for and want landowner/operator preference, you must provide the legal description of the land that qualifies you. By completing the land descriptions below, you are declaring that you qualify for landowner/operator preference as explained under APPLICATION REQUIREMENTS of this document and are applying for a license using that requirement. Nonresidents do not qualify for landowner/operator preference. Landowner preference applies to first choice only for a specific season.
- 3. Residency:** Check the appropriate box to indicate that you qualify and are applying as a resident, or applying as a nonresident.
- 4. Social Security Number:** Last four digits only. This information is required by state law and applications that do not include the SSN will be rejected. See information under "application requirements." You will also need to use this number to find out your success in the drawing on the GFP website.
- 5. Date of Birth:** Enter your date of birth, month first, followed by day and year. For example, a birth date of March 8, 1971, would be entered 03-08-1971.
- 6. Driver License or Identification Card Number:** If you possess one, please enter your driver's license number, even if it duplicates your Social Security Number. Residents over age 16 without a driver's license must enter your state-issued and expiration-dated South Dakota ID card number. Include the two-letter abbreviation for the state or province your driver's license was issued from. Youth without a driver's license or ID card number, see instruction No. 8.
- 7. Print Name:** Print your complete name, with FIRST NAME first, followed by middle initial and last name. Leave a space between each.
- 8. HuntSAFE Card Number:** This number must be entered for resident youth ages 12-15. Nonresident youth are required to use their hunter safety card number or the number of a current or previous hunting license issued to them from any state. If the hunter safety course has not been taken at the time of application, but will be completed before the hunt, leave this blank. If drawn, the license will be held until the License Office is notified of the HuntSAFE card number after the course has been successfully completed.
- 9. Mailing Address:** Licenses and refunds will be mailed to the address provided on the application. Those returned as "undeliverable" will be held in the License Office until a correct address is provided.
- 10. Height:** measured in feet and inches. **Weight:** registered in pounds.
- 11. Phone Number:** Enter your daytime phone number. This information is kept confidential and is used only for contacting and/or surveying hunters.
- 12. E-mail Address:** This information is optional, but is helpful if there is a need to contact or send updates on information. We request that you fill this out if you have a personal e-mail address.
- 13. Archery Applicant Information:** All big game archery applicants under age 16, all first-time archery applicants, and all archery elk applicants must be able to answer the first question "YES" and provide their National Bowhunter Education certificate number. All other archery hunters must either be able to answer the first question "YES" and provide your certificate number or answer the second question "YES" and provide the state and year when you last were licensed.
- 14. Gender:** Check the appropriate box.
- 15. Mailing List Opt-Out:** Applications are considered "public record" and from time to time the Game, Fish and Parks Commission receives requests from groups and businesses for these names and addresses. If you wish to keep your name from appearing on these lists, you may check this box. You will still be included in official GFP mailings such as season surveys.
- 16. Suspended Privileges:** Any person who has had hunting, fishing or trapping privileges revoked or suspended in any state or country may not purchase a license for or exercise that same privilege in South Dakota during the period of the revocation or suspension.
- 17. Donate To TIPS or SAH:** You may make a donation to the Turn In Poachers (TIPS) or Sportsmen Against Hunger (SAH) programs by checking one of the blanks at the bottom of the application and including an amount greater than the license fee in your payment. Any amount over the license fee will be donated to the selected program when one of the boxes is checked. If neither of the boxes is checked, the overpayment will be refunded.
