LANDOWNER PERMISSION REQUIRED

Permission is required to hunt private land in South Dakota. Every year GFP receives complaints from hunters who drew a license and couldn't get permission to hunt private land once the season opened. Applicants are reminded that the purchase of a license does not guarantee the opportunity to hunt privately-owned property. This opportunity must be secured by contacting landowners directly and you are encouraged to make these contacts prior to submitting your application.

Social Security Number

The Social Security Number information is required from all U.S. residents before this application will be processed [SDCL 25-7A-56.2]. This information will be kept confidential. The information is required to be in compliance with state law on collection of delinquent child support payments.

South Dakota law prohibits the issuance or renewal of any hunting or fishing license if an individual owes \$1,000 or more in past-due child support unless the individual enters into a repayment agreement with the Dept. of Social Services for payment of the delinquent child support [SDCL 25-7A-56; 25-7A-1(28)]. There is a requirement to enter into a repayment agreement with the Dept. of Social Services even if the individual is presently making child support payments, or if child support is being withheld from wages or income. To enter into the required repayment agreement, individuals must contact the Dept. of Social Services - Office of Child Support Enforcement, 700 Governor's Drive - Kneip Building, Pierre SD 57501, or call (605) 773-6456.
